

GEORGES

SHIRAZ

VINTAGE

2018

REGION

Clare Valley

Shiraz is one of the great unsung hero grape varieties of the Clare Valley. The region's unique combination of geographic and climatic conditions promotes a classy style of shiraz that sits neatly between warm and cool climate variations. Georges Shiraz is typically ripe and dark fruited while retaining a mouth-watering freshness – a clever, contemporary take on the variety while respecting its serious heritage.

TASTING NOTE

Colour: Deep and dark

Aroma: Freshly picked and squished blackberry with background black olive tapenade

Palate: All those aromatics spill into the mouth, with a sense of dark chocolate and a mid-palate spike of fresh blackberry. Lip-smacking structure and impressive length make this a very special shiraz crafted to drink now and for cellaring over many years.
